

Hello Tenants! Say goodbye to Venmo and Direct Deposits, and say hello to Cozy, a service that makes it easy to pay rent online!

How it Works

1

Your landlord will invite you

Look for an email from Cozy. We'll guide you through the setup process. It takes less than 5 minutes.

2

Set up Payments

You can pay with a checking account for free, or with a debit or credit card for a 2.75% transaction fee.

3

Forget about rent!

Cozy lets you set up automatic payments so you don't have to remember to send rent every month. You can also pay manually, and we'll remind you a few days before rent is due.
